Sub: Permission for Laying of sixteen Nos of Hydrocarbon, water and gas pipelines crossing
NH-32 at chainage 185/904 in Karaikal district

Ref: Online Application Ref No: 20240627/2/14/27152/9019

Dear sir,

Chennai Petroleum Corporation Limited (CPCL) in a Joint venture with Indian Oil Corporation Limited (IOCL), is installing a 9 MMTPA Cauvery basin Refinery project at Panangudi, Nagapattinam district, Tamil Nadu.

In this new refinery, CPCL will receive the crude parcels through the single point mooring (SPM) which will be located approximately 20 Km offshore. The Crude will be transported to refinery through Karaikal port by underground pipelines. This pipeline corridor will be also utilized to transport treated water from the Desalination plant at Nagore coastal area and finished products from refinery to Karaikal port area. The aforesaid forty meter wide pipeline corridor will cross NH-32 at chainage 185/904 near Vanjore, Karaikal port.

The proposed pipelines will be laid using Horizontal directional drilling (HDD) technology, ensuring a minimum burial depth of 4.0 meters below the National highway.

In view of the above, we have submitted an online application as referenced. We kindly request you to review the application and grant the necessary No Objection Certificate (NOC) for laying the proposed pipelines across NH-32.

Thanking you,

Yours sincerely,

N. Sudhakar
