NHAI/12015/1/2007/2023/NOC (underground cable/JHS-W/2025/444 Dated 12 June, 2025

Invitation of Public Comments

विषय :- Permission for laying 11 के.वी. अण्डर ग्राउण्ड केबिल (11kv 3x185 sqmm XLPE Underground Cable) Chainage No. Km. 1421+500 on NH-27 Jhansi Kanpur Section from 33/11 KV Electric Sub Station, Chirgaon under RDSS Scheme.

सन्दर्भ:- अधिशासी अभियन्ता, विद्युत वितरण खण्ड, दक्षिणांचल विद्युत वितरण निगम लि0 झॉसी का पत्रांक 3716/वि0वि0मख0/झॉसी दिनॉक 11.06.2025

Sir.

The Executive Engineer, Dakshinanchal Vidyut Vitran Nigam Ltd, EDD-II, Jhansi has submitted proposal for Permission for laying 11 के.वी. अण्डर ग्राउण्ड केबिल (11kv 3x185 sqmm XLPE Underground Cable) Chainage No. Km. 1421+500 on NH-27 Jhansi Kanpur Section from 33/11 KV Electric Sub Station, Chirgaon under RDSS Scheme.

- As per the guidelines, issued by the Ministry vide OM No. RW/NH-33044/29/2015/S&R (R) dated 22.11.2016, the application shall be put out in the public domain for 30 days for seeking claims and objections (on grounds of public convenience, safety and general public interest).
- In view of the above, comments of the public on the above application is invited to the below mentioned 3. address, which should reach by this office within 30 days from the date of publication beyond which no comments shall be entertained.

The Project Director National Highway Authority of India Project Implementation Unit House No. N 43/1 A, Infront of Govt. Mahila Polytechnic, Gwalior Road, Jhansi - 284003 (U.P.)

This is issued with the direction of NHAI, RO, (West)-UP, Lucknow.

Encl: As Above.

(Project Director) NHAI, PIU, Jhansi

. No.	Item	Information / Status	Remarks
		morniation / Status	Kemark
2.4.1	Open trenching method. (May be allowed in utility Corridor onlyWhere pavement is neither cement concret nor dence bituminous concret type.)If yes , what is the Methodology of refilling of trench.	No	
2.4,2	Horizontal Directional Drilling (HDD) Method	Yes	
2.4.3	Methodology for laying of Power cables through HDD works and method of laying. (Wether to be hung out side parapet)	Yes	
3	Draft license Agreement signed by two witnesses	Yes	
4	Performance Bank Guarantee		
4.1	Performance Bank Guarantee BG/FDR as per ministry's circular no RW/NH-33044/272005-S&R {R} Dated 06/07.08.2013 to be obtained @ Rs.100 per meter length (Length of NH land utilized)and Rsper crossing NH, for a period ofyear initially as a security for ensuring /making good the exvated trench for the laying cables/dutcts by proper filling for compaction, clearing debris/loose earth produced due excution of trenching at leastm away from edge of right of way. No payment shall be payble by the NHAI to the Licensee for the clearing debris/loose earth.		
4.2	Confirmation of BG has been obtained or not as per NHAI guidelines.	No	
5	Affidavit/ Undertaking from the Applicant for the following is to be furnished.	Yes	
5.1	Not to Damage to other utility, if damaged then to pay the losses either to NHAI or to the concerned agency.	Yes	
5.2	Renewal of Bank Guarantee.	NA	
5.3	Confirming all standard condition of NHAI's guideline.	Yes	
5.4	Shifting of Power cable as and when required by NHAI.	Yes	
5.5	Shifting due to 4 lanning / widening of NH.	Yes	
5.6	Indemnity against all damages and claims clause (xxiv).	Yes	
5.7	Traffic movement during laying of 11 Kv Eletric cable managed by the applicant.	Yes	
5.8	If any claim is raised by the Concessionaries then the same has to be paid by the applicant.	No	
5.9	Certificate for 6-lanning from the applicant in following format: "We do undertake that I will relocate service road/approach road/utilities at my own cost not withstanding the permission granted within such time as will be stipulated by NHAI" for future six- lanning or any other development."	Yes	
6	Power of Attorney in favor of authorized signatory	Yes	
7	Copy of DOT license	NA	
8	Certificate from the Project Director		
8.1	Certificate for proposal for confirming of all standard condition issued vide Ministry of Road Transport and Highways Circular No. RW/NH-33044/17/2000-S&R dated 29.9.2000 and NHAI's guidelines issued vide No.NHAI/OEC/2kVol-II dated 7.11.2000 and Ministry's Circular No.RW/NH-33044/27/2005-S&R dated 06/07.08.2013.		
8.2	Certificate for 4-lanning from PD in the following format:-		
	(a) Where feasibility is available "I do certify that there will be no hindrance to proposed six-laning based on the feasibility report considering proposed structures at the said location.		
	(b) In case feasibility report is not available "I do certify that sufficient ROW is available at site for accommodating proposed six-laning".		
9	The agreement fee of Rsshall be charged.		
10	If NH section proposed to be taken up by NHAI on BOT basis a clause in para 17 to be inserted in the agreement. "The permitted Highway on which Licensee has been granted the right to lay cable/duct has also been granted	Yes	
	as a right of way to the concessionaire under the concession agreement for OPERATION AND MAINTANANCE of Jhansi-Orai Section of NH-27 From km 1421+500.		
11	Who will supervise the work of laying of laying of 11 Kv Electric Cables.	Excutive Engineer ,Jhansi	
12	Who will ensure that the defects in road portion after laying of 11 Kv electric cables are corrected and if not corrected then what action will be taken.	Dakshinachal Vidhyut Vitran Nigam Limited	
13	Who will pay the claims for damages done/disruption in working of concessionaireif asked by the concessionaire.	Dakshinachal Vidhyut Vitran Nigam Limited	
14	A certificate from PD that he will enter the proposed permission in the register of records of the permission in the prescibed proforma (copy enclosed). Issue vide Ministory's circular no RW/NH/33044/17/2005/S&R, Dated 06/07.08.2013.		
15	If any previous approval is accorded for laying of underground laying of cable then the photocopy of register of records of permissions as maintained by PD (as per Ministy circular no RW/NH/33044/17/2005/S&R, Dated
