Sir,

It is kindly submitted that the proposal for seeking permission for Erection of 2.0 MW Over Head Transmission (22 KV) in 6 Lay Power Cables Line & Poles along the ROW from Km 41+050 to Km 41+180 on RHS, from Km 41+180 to Km 42+500 on LHS and across the road at Km 41+180 on NH-209 in the aforesaid Project Highway has been requested by the Authorized Signatory, M/s Eternal Renewables Pvt. Ltd., Pollachi vide ref. 1<sup>st</sup> cited.

2. The same has been forwarded to Independent Engineer vide this office letter reference 2<sup>nd</sup> cited to verify the proposal on ground and invited comments along with the consent of the Concessionaire since the Proposal is under the Construction phase.

D:\Letters\Permission for Overhead EB lines\NH-209\Pkg-II\Eternal Renewables\Lr.to RO,Madurai for approval-Eternal Renewables.docx

3. In turn, the Independent Engineer vide ref. 4<sup>th</sup> cited has replied that the proposal has been verified and submitted certain observation. In turn, the applicant vide ref. 5<sup>th</sup> cited has submitted the compliance to the IE's observation after attended the site inspection with IE. Again, the revised proposal has been forwarded to IE for verification.

4. In this context, the Independent Engineer vide ref. 7<sup>th</sup> cited has replied that the proposal has been verified and submitted no objection along with the consent of the Concessionaire (ref. 3<sup>rd</sup> cited).

5. The above proposal has been scrutinized in light of Ministry's Circular No. RW/NH-33044/29/2015/S&R (R) dated 22.11.2016 and the following points are put forth for kind approval,

- i. The applicant i.e., M/s Eternal Renewables Pvt. Ltd., Pollachi has proposed to construct 2 MW solar power plant at Boduvarpatty village and the work has just been initiated and hence, the applicant has submitted the proposal for erection of 22 KV overhead power transmission line from the solar site to Sinthalavadanpatty Substation which has to be along the ROW from Km 41+050 to Km 41+180 on RHS, from Km 41+180 to Km 42+500 on LHS and across the road at Km 41+180.
- ii. A plan showing the above mentioned NH stretch with the proposed 22 KV overhead power transmission line location has been incorporated in the proposal.
- iii. The overhead power transmission line is proposed to be erect at the extreme edge of RoW (i.e., 1.5m from the edge of ROW to C/C of pole, the distance has been considered as per the existing boundary wall & its foundation and working space for erecting pole).
- iv. The Authorized Signatory, M/s Eternal Renewables Pvt. Ltd., Pollachi has submitted a license deed in the prescribed format to be executed in case the approval is accorded along with indemnity bond.
- v. The Authorized Signatory, M/s Eternal Renewables Pvt. Ltd., Pollachi has submitted the necessary undertakings in the prescribed format as mentioned in the Ministry Circular No. RW/NH-33044/29/2015/S&R (R) dated 22.11.2016.
- vi. Further, the applicant has applied in the "Right to Access" Web Portal for approval (Application No: 20230529/2/15/9715/2841).
- vii. Regarding License Fees and Performance Bank Guarantee, the applicant has calculated wrongly and the same have been modified in this office and submitted herewith for perusal.

6. The proposed line is in Manjanaickenpatti village Sy.No. 311/2E2, 312/2D2, 327/2A2, 327/1A2, 322/4A, 322/3B, 322/1B2, 313/7B2, 313/7A1, 313/7A2, 313/6B, 320/6, 319/1A2, 318/3B, 313/2B, 318/1B, 316/3C, 165/3, 165/2A2, 166/3C2, 166/3B2 & 166/7 and for the said survey numbers, the license fee has been calculated in line with the MoRTH policy guidelines dt. 22.11.2016 as detailed below:

D:\Letters\Permission for Overhead EB lines\NH-209\Pkg-II\Eternal Renewables\Lr.to RO,Madurai for approval-Eternal Renewables.docx

**LICENSE FEES FOR INDUSTRIAL UTILITY (Towers) (Rs./Sqm/Month)**  
(Utilized NH Land area × Prevailing Circle Rate of land per unit area) / (10×12)

Sl.No	Village	Chainage		Side	Length (L) (m)	Width of Tower Arm incl. Foundation (D) (m)	Utilized NH land area (D×L) (Sq.m)	Prevailing Circle rate of land per unit area (sq.m) (Rs.)	License Fee per Month (Industrial utility) (Rs.)
		From	To						
1	Manjanaickenpatti	41+050	41+180	RHS	130	2.4	321	114	296
		41+180	42+500	LHS	1320	2.4	3168	114	3010
		41+180		Crossing	60	3.4	204	114	194
Total Amount per Month*									3500

\*Total Rs. 2,10,000/- for 5 years

Note:

The prevailing circle rate for the village of Manjanaickenpatti has been adopted from the LA award Proceedings of CALA published by Spl. District Revenue Officer (LA-NH), Dindigul (Copy Enclosed).

7. The amount of Performance Bank Guarantee has been calculated in line with the MoRTH policy guidelines dt. 22.11.2016 as detailed below:

Along the Road	
From Km 41+050 to Km 41+180	
and from Km 41+180 to Km 42+500	- 1450 m
Total Area of land to be utilized	- 3684 Sq.m
Rate of performance BG	- Rs.100 / Sq.m
Amount (3684 × 100)	- Rs.3,68,400/-
Cost of Restoration Charges	- Rs. 1 Lakh per crossing
Crossing at Km 41+180	- Rs. 1,00,000/-
Total	- Rs. 4,68,400/-
Centage Charges @ 23.5 %	- Rs. 1,10,074/-
Grand Total	- Rs. 5,78,474/-

8. Further, it is to certify that after erection of the proposed Electric Poles, sufficient ROW is available at site for accommodating proposed 4 laning.

-4-

9. In view of above, it is requested that the permission for Erection of 22 KV Over Head line along the road from Km 41+050 to Km 41+180 on RHS, from Km 41+180 to Km 42+500 on LHS and across the road at Km 41+180 of the aforesaid Project Highway may please be approved.

With respect to the above Ref (6), wherein Authority has requested to inspect the site and examine the proposal for execution of 2.0 MV Over Head Transmission in 6 lay power cable line & poles along the ROW from Km.41+050 to Km.42+500 on LHS and across the road at Km.41+050 in order to furnish our consent to Independent Engineer.

Based on the request authority, a site inspection along with the representatives of Independent Engineer and Mr. Eternal Renewables Pvt Ltd and Concessionaire Representatives was conducted on 03.07.2023. And as per clause 11.3 of Concession Agreement "The

Concessionaire shall allow, subject to such conditions as the Authority may specify, access to, and use of the site for laying telephone lines, water pipes, electric cables or other public utilities. Where such access or causes any financial loss to the concessionaire, it may require the user of the site to pay compensation or damages as per applicable laws”.

In this regard, with the revised proposal Letter No.1382. The Independent Engineer & Concessionaire have **No Objection for allowing access** and further confirming that, there will be no financial loss for Concessionaire during the erection time if all the stipulated guidelines of Ministry are followed by the executing agency.

Thanking you and assuring you of our best services at all the times.

Thanks & Regards

With reference to the above Ref (2&3), wherein Authority has requested to inspect the site and examine the proposal for execution of 2.0 MV Over Head Transmission in 6 lay power cable line & poles along the ROW from Km.41+050 to Km.42+500 on LHS and across the road at Km.41+050 & Proposal for erection of 5.0 MV Over Head Transmission in 3 lay power cable line & poles along the ROW from Km.41+500 to Km.43+076 on RHS and across the road at Km.42+500 on NH-209(NH-83) respectively.

Corp. Off: 1101A, 11th Floor, Tower A-II, Corporate Park, Plot No. 7A/1, Sector 142, Noida 201301,  
Uttar Pradesh, INDIA, Tel: +91-120-6148000 | Tel./Fax: +91-120-6148070

www.sainfra.com

Based on the request of Authority, a site inspection along with the Concessionaire and Representative of Mr. Eternal Renewables Pvt Ltd and Independent Engineer was conducted on 14.06.2023. And as per clause 11.3 of Concession Agreement "The Concessionaire shall allow, subject to such conditions as the Authority may specify, access to, and use of the site for laying telephone lines, water pipes, electric cables or other public utilities. Where such access or causes any financial loss to the concessionaire, it may require the user of the site to pay compensation or damages as per applicable laws".

However, we noticed that in reference letter ref (3), proposal of 41+050 to 42+500 on LHS, the pole No, 26,27,28 & 29 are marked at 28.5 mtr offset from the center line duly considering the 60 mtr ROW. But, as per our site, at chainage Km.41+110 to 41+160, provision of Highway nest mini to be constructed as per Concession Agreement and additional land acquisition is under process for another 20mtr width beyond the 60mtr ROW.

In this regard, with both of the proposals, Concessionaire & IE have no Objection for allowing access and further confirming that, there will be no financial loss for Concessionaire during the erection time if all the stipulated guidelines of Ministry are followed by the executing agency.

Hence, we request to Mr Eternal Renewables Pvt Ltd to get revised proposal for LHS before submitting to Authority by verifying the Ministry guideline duly correcting the poles 26,27,28 & 29 from 28.5mtr from center line to 48.5 mtr from center line, so that the erecting of poles will be within the utility corridor as per provision of Concession Agreement.

Thanking you and assuring you of our best services at all the times.

For Thanks & Regards

Team leader cum Senior Highway Engineer

Shanmugapuram, Palani - 624 601.

Dear Sir,

Sub: Four Laning of Oddanchatram - Madathukulam section of NH-209 (New NH-83) from Design Km 29.000 to Km 74.380 under Bharatmala Pariyojna Phase-I under the category of Residual Works of NHDP on HAM in the State of Tamil Nadu- Proposal for erection of 5.0 MV Over Head Transmission in 3 lay power cable line & poles along the ROW from Km.41+500 to Km.43+076 on RHS and across the road at Km.42+500 on NH-209 & Proposal for erection of 2.0 MV Over Head Transmission in 6 lay power cable line & poles along the ROW from Km.41+050 to Km.42+500 on LHS and across the road at Km.41+050 on NH-209 -Comments sought - Reg.

Ref: 1. NHAI/PIU/DGL/11014/10/NH-209/NOC/2023/1216 Dt: 08.06.2023.  
2. NHAI/PIU/DGL/11014/10/NH-209/NOC/2023/1217 Dt: 08.06.2023.

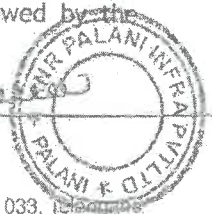

With reference to the above Sl.No. 1&2, wherein Authority has requested to inspect the site and examine the proposal for execution of 5.0 MV Over Head Transmission in 3 lay power cable line & poles along the ROW from Km.41+500 to Km.43+076 on RHS and across the road at Km.42+500 & Proposal for erection of 2.0 MV Over Head Transmission in 6 lay power cable line & poles along the ROW from Km.41+050 to Km.42+500 on LHS and across the road at Km.41+050 on NH-209 respectively, in order to furnish our consent to Independent Engineer.

Based on the request, a site inspection along with the representatives of Independent Engineer was conducted on 14.06.2023. And as per clause 11.3 of Concession Agreement "The Concessionaire shall allow, subject to such conditions as the Authority may specify, access to, and use of the site for laying telephone lines, water pipes, electric cables or other public utilities. Where such access or causes any financial loss to the concessionaire, it may require the user of the site to pay compensation or damages as per applicable laws".

In this regard, with both of the proposals, Concessionaire have no Objection for allowing access and further confirming that, there will be no financial loss for Concessionaire during the erection time if all the stipulated guidelines of Ministry are followed by the executing agency.

Project Office: SF No.158, Puliyampatti, Palani Taluk, Dindigul - 624 617, Tamil Nadu

Registered Office: 'KNR House', 3rd & 4th Floor, Plot No. 114, Phase-I, Kayuri Hills, Hyderabad - 500 033, Telangana  
Phone: +91 40 40268759, 40268761/62, Fax: +91 40 40268760,  
e-mail: knrci@rediffmail.com, Web: www.knrci.com

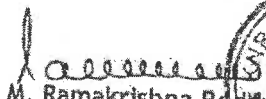

However, we noticed that in reference letter Sl.No.2, proposal of 41+050 to 42+500 on LHS, the pole No,26,27,28 & 29 are marked at 28.5 mtr offset from the center line duly considering the 60 mtr ROW. But, as per our site, at chainage Km.41+110 to 41+160, provision of Highway nest mini to be constructed as per Concession Agreement and additional land acquisition is under process for another 20mtr width beyond the 60mtr ROW.

Hence, we request independent engineer to get revised proposal for LHS before submitting to Authority by verifying the Ministry guideline duly correcting the poles 26,27,28 & 29 from 28.5mtr from center line to 48.5 mtr.from center line, so that the erecting of poles will be within the utility corridor as per provision of Concession Agreement.

Thanking and for necessary further course of action.

Yours faithfully,

For M/S. KNR Palani Infra Private Limited.

  
M. Ramakrishna Reddy
