### **IABSE Awards 2025 - Call for submission until **31 March 2025****

---

The IABSE Awards 2025 will once again honor extraordinary talent and groundbreaking projects that shape the field of bridge and structural engineering.

This year's awards will celebrate excellence across multiple categories, including **People and Paper Awards** and **Projects and Technology Awards** culminating in the prestigious **Gold Star Awards**.

Mark your calendars! On 14 November 2025, the IABSE Awards will take place at Lake Side, an iconic venue on the shores of Lake Zurich.

Submit your entry(ies) in the following categories:

#### **IABSE People and Papers Awards**

- Honorary Membership
- International Award of Merit in Structural Engineering
- Early Career Prize
- Member of the Year
- IABSE National Group of the Year
- Outstanding Paper Award
- Best PhD Thesis Award

#### **IABSE Projects and Technology Awards**

- Small Projects
- Small Building Structures
- Large Building Structures
- Pedestrian and Cycle Bridges
- Small Road and Rail Bridges
- Large Road and Rail Bridges
- Infrastructure
- Rehabilitation
- Innovation in Construction
- International Community Development

To encourage the Young Engineers (age upto 40 year), the Indian National Group formed a Committee for selection of the papers of Young Engineers for the Category of **Early Career Prize**.

Interested participants are requested to send their nomination form to the ING-IABSE by 27<sup>th</sup> March 2025 through email: [secretariatingiabse@gmail.com](mailto:secretariatingiabse@gmail.com)
