The evaluation Committee noted that Mr. Sharat Kumar, proposed as Team leader cum Senior Bridge Engineer by the firm in response to clarifications regarding his employment details Sought by Ministry has stated that he was relieved from M/S Reliance Infra in May 2020 and joined M/s S P singla in July 2020 and the information uploaded on Infracon may be read as May 2020 as against November 2020. Moreover, the Committee noted that in one of the AE project of NHAI from Akshardham to EPE of NH 709B in Bharatmala Division, show cause notice has been issued to key personnel as the key personnel has claimed as experience of position of Project Manager for the period of 1999 to 2001 with M/s Gammon India. However, M/s Gammon Engineers and Contractors Private Limited vide email dated 22.05.2021, has communicated that the position was section in charge for structure and segmental launching.
