Subject: Surveying with Network Survey Vehicle (NSV) for the projects involving development of 2/4/6/8- lane, Expressway, Strengthening –**uploading of NSV survey data -reg.**
Reference: MoRTH letter No. RW/NH-33044/32/2019-S&R (P&B) dated 13.11.2019

Madam /Sir,

Ministry has already issued guidelines vide aforesaid circular dated 13.11.2019 for the use of Network Survey Vehicle(NSV) for the projects before commencement, on completion and at regular interval as specified therein. In Para 6 of the above circular, all executing agencies of MoRTH i.e. NHAI, State PWDs, NHIDCL & BRO have been requested to upload road inventory and condition survey details of National Highways on PMIS portal.
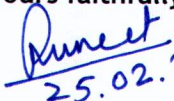

2.   In this regard, project wise provision has been developed in the login of Project Director (PD)/ Executive Engineer (EE)/BO/PMU on PMIS portal by creating a new option namely **"survey upload"** in the "project configuration" tab. Various type of files such as summary report, video, photo, raw data and others are to be uploaded for each project as per **Annexure.** In case difficulty is observed in uploading of files for the entire stretch, it is suggested that files may be divided into suitable parts for ease of upload, duly referenced for ease in viewing.

3.   Therefore, all executing agencies are requested to upload the aforesaid data, preferably within 10(ten) days after completion of NSV survey and invariably before award of the work, on the PMIS portal. All the Regional Officers of the Ministry /NHAI or equivalent field officers in other executive agencies of the Ministry shall ensure upload of the above requisite data before issuing completion certificate and thereafter at prescribed internal.

4.   The contents of this Circular may please be brought to the notice of all the Concerned in your Organization for strict implementation.

Yours faithfully,

Encl: As above.
