The pre-award action should be completed preferably by month of March and works are awarded as soon as these works are sanctioned in the month of April/May.'

3. Considering the necessity for timely award and implementation of development works on NHs i.e. NH(O) & PBFF works including IRQP, PR works and Special Road Development Programmes such as SARDP-NE including Arunachal Package and under LWE affected area scheme etc., the position has been reviewed and following has been decided in partial modification of the above said circular dated 5-7-2001 (para 2 above) for the projects which are not required to be appraised by PIB/EFC/SFC i.e. projects below Rupees 25 crores:
