Subject: Removal of Advertisement hoardings on National Highways within the Right of Way.

Sir,

Please refer to this Ministry Circular of even Nos. dated 9th June, 2017 and 7th September, 2016 on "Removal of Advertisement hoardings on National Highways within the Right of Way". In this regard, it is requested to do the joint inspection of National Highways and send the consolidated report regarding the advertisement hoardings to the Ministry at the earliest. The same is still awaited. It may be observed that advertisement hoardings can be seen all along National Highways at various places within ROW especially urban/ semi urban/ village areas which is a matter of great concern. It is once again requested to do the joint inspection and furnish the details of existing hoardings along National Highways. It is again requested to take appropriate action to remove all the advertisement within ROW.

Yours Faithfully

(Dr. Sanjay Wakchaure)
Superintending Engineer, S&R (P&B)

Subject: Removal of Advertisement hoardings on National Highways within the Right of way

Please refer to the Ministry's circular No. RW/NH-33044/35/2001/S&R(R) dated 16th May, 2002 wherein it has been mentioned that no advertisement hoardings are permitted on National Highways within the Right of Way except informatory signs of public interest such as hospitals, bus stations etc. or advertisement of temporary nature announcing local events such as Mela, Flower Show etc. Besides, IRC:46-1972 titled "A Policy on Roadside Advertisements" published in 1992 should also be referred for comprehensive guidelines on advertisement control on National Highways.

2. Despite Ministry's policy of not allowing road side advertisement hoardings on National Highways which cause distraction and also is one of the causes of accidents on NHs, advertisement hoardings have generally been noticed along the National Highways.

3. It was decided that the Regional Officers/Engineering Liasoning Officers within their jurisdiction shall inspect the NHs by prioritizing heavily trafficked NHs and other NHs in stages and submit inspection reports to the Ministry for further necessary action, along with their monthly reports. However it has been observed that reports from RO's/ELO's are not being received by the Ministry. It is of great concern and all the implementing agencies and RO's and ELO's are hereby directed to do the joint inspection of all National Highways within their jurisdiction and send a consolidated report regarding the advertisement hoardings to the Ministry for further necessary action.

Yours faithfully,

Manoj Kumar
