

File no DG&SS/02/2024(Part) [Computer no 244075]
GOVERNMENT OF INDIA
MINISTRY OF ROAD TRANSPORT & HIGHWAYS
(S & R Zone)

Parivahan Bhawan, 1-Sansad Marg,
New-Delhi, dated 07.11.2024

To

1. All ADGs and AS Transport
2. All CEs and JS (H)/JS (EAP)/JS (Logistics)

Subject: Issue of circulars/guidelines in respect of National Highways works on Technical/ Contractual/Administrative matters

Sir,

Ministry has categorized all circulars issued till December 2023, Code no wise and subject-wise and prepared a comprehensive compendiums of all circulars/guidelines by amalgamating Compendiums/Addendums containing circulars issued up to December 2008 and circulars issued from January 2009 to December 2023. The comprehensive compendium has been uploaded on the Home page of Ministry's website under the Tab 'Notification' → 'Comprehensive Compendium Circulars' (https://morth.gov.in/comprehensive_compendium_circulars).

As S&R Zone deals with all technical matters related to highway development, circulars related to these matters are dealt and issued in S&R Zone. All circulars are allotted with a Code no [subject-wise] being followed for last seven decades. Code nos. are allotted for standardization, so that any highway professional can easily find out any circular.

If any other Zone/Division issues circular after approval of competent authority on their file, the concerned Zone/Division may either send the file to S&R Zone to issue the circular after allotting appropriate Code no. or issue the circular [by the concerned Zone] after obtaining the Code no. from S&R Zone and quote the same on the right hand side top of the first page of the circular. In future NIC shall be asked to upload the circular in appropriate location as per the allotted Code no under 'Comprehensive Compendium Circulars tab' only.

This issues with the approval of the Competent Authority

(Akil Ahmad)

Superintending Engineer (S&R)
for Director General (RD) & SS
