10th February, 2017

Dear S. N. Das Ji,

I am happy to know that you have been invited by The Indian Express Group on its 21st edition of "Express Technology Sabha", 2017 in Visakhapatnam for accepting the prestigious award for "Outstanding Digital Monitoring Project" on behalf of "Indian Bridge Management System (IBMS)" under the aegis of the Ministry of Road Transport & Highways and under your grand leadership for using technology for creating an inventory of all bridges in the country and rate their structural condition so that timely repair and rehabilitation work can be carried out based on the criticality of the structure.

I congratulate you for making this endeavour a great success and also take this opportunity to convey my best wishes to all the members and staffs associated with the success of this project.

With regards,

Yours,

(Nitin Gadkari)

Shri S. N. Das,
Director General (RD) and Special Secretary,
Ministry of Road Transport and Highways,
Transport Bhavan,
New Delhi.

Shri S.N. Das
Director General,
Ministry of Road Transport And Highways
Government of India

Sub: **Invitation to accept the award/recognition**

Dear Sir,

We are pleased to inform you that The Indian Express Group, one of India's most respected media houses, is organising the 21st edition of "Express Technology Sabha" in Visakhapatnam, between February 16-19, 2017.

One of the key component of the conference is to recognise some of the most innovative applications of information technology in government departments and corporations for improving the overall operation and efficiency.

The Technology Sabha Editor's Choice Awards/Recognition for Excellence in e-Governance are presented to the most innovative and effective projects that have demonstrated excellent usage of technology for creating maximum impact with respect to demonstrating e-governance.

In the 21st edition of the summit, we are awarding projects and individual in the following categories:

- Lifetime achievement award for e-governance
- Outstanding project to connect unconnected
- Outstanding integrated e-Governance project
- **Outstanding digital monitoring project**
- Outstanding tech platform for improving transparency

We are happy to inform you that "**Indian Bridge Management System (IBMS)**" has been chosen for using technology for creating an inventory of all bridges in the country and rate their structural condition so that timely repair and rehabilitation work can be carried out based on the criticality of the structure, under the category – **Outstanding digital monitoring project** for the recognition/award.

The recognition/award will be conferred during a ceremony in Express Technology Sabha conference in Visakhapatnam, between February 16-19, 2017.

The award ceremony is scheduled for 18 February 2017.

We look for your confirmation to receive the recognition/award.

Upon your confirmation, my colleague will connect with your office for travel and stay arrangement.

Warm Regards,
Mohd Ujaley

13th February, 2017

मा. नरेंद्र मोदी

It is a pleasure for me to enlighten you that the "Indian Bridge Management System (IBMS)" under the aegis of the Ministry of Road Transport & Highways has been selected for the prestigious award under the category "Outstanding Digital Monitoring Project" by The Indian Express Group for using technology for creating an inventory of all bridges in the country and rate their structural condition so that timely repair and rehabilitation work can be carried out based on the criticality of the structure.

The award would be conferred on by The Indian Express Group in its 21st edition of "Express Technology Sabha", 2017 in Visakhapatnam during 16-19 February, 2017.

With regards,

Yours,

(Nitin Gadkari)

Shri Narendra Modi,
Hon'ble Prime Minister of India,
South Block,
New Delhi.
